

■ ACCIDENT GUIDE

Presented by A.D. Dern Insurance Agency, Inc

Accidents happen—even to the most careful drivers.

Knowing what to do after an accident will help you to remain calm and in control. It may even make the experience a little less frightening. Take a moment to review this guide and keep it in your glove compartment in the event of an accident.

“The last thing I want is one of my customers to have an accident. But I know if that day comes, Safeco will do everything they can to ease the process of getting back on the road.”
