

■ **RV/TRAVEL TRAILERS INSURANCE**

Presented by A.D. DERN INSURANCE AGENCY, INC.

## Hit the open road and leave your worries behind.

Whether you own a motor home or travel trailer, knowing that you're covered by Safeco should give you the peace of mind to relax and enjoy the scenery.

*"Safeco is an obvious choice for people insuring their motor homes. They're half vehicle and half home and Safeco has a great track record insuring both."*

### We'll insure your RV even if it's your only policy with us.

Many insurance companies still require you to have an auto or homeowners policy with them before they'll cover your RV. Not Safeco. We're also one of the few companies that allow you to reduce your coverage to comprehensive-only in the months when your RV is not in use. Safeco insures motor homes costing up to \$500,000 and travel trailers costing up to \$75,000.

### Emergency assistance package

One of the most popular features of our recreational vehicle policy is our emergency assistance package. It can be very comforting knowing that if there is a problem, you're covered with a comprehensive package of towing or roadside service, housing, food and transportation costs if your RV becomes uninhabitable. You're also covered for loss of personal property and use of a locksmith.

### Coast-to coast service

Safeco has over 100 claims offices spread across the entire country so you're never far from a claims professional. And we're always available 24 hours a day, 7 days a week by phone. Call 1-800-332-3226.

### Payment Options

For ultimate convenience and flexibility, we offer a variety of ways to pay your premium. This is particularly handy for you when you are out on the road. You can elect to pay by mail, phone, automatic transfer from your checking account, or online at [www.safeco.com](http://www.safeco.com). The choice is yours.
